Caribbean Sunset

A spicy rum cocktail will greet you from the cold night air as you enter the tropical paradise at this fabulous historic building. In an evening packed with the tastes, sights and sounds of the Caribbean, you'll give your guests the perfect excuse to really let their hair down. Everyone will enjoy a sumptuous Cajun buffet accompanied by excellent quality wines and beers. Then you'll be entertained by our regular fun calypso band, with dancing and maybe the odd limbo contest! Our DJ will then take you into the night with the very best in popular dance music.
